**VOTE YES TO Recall David Trent, and
VOTE YES TO Recall his friend Brien Witkowski**

Don't let them bring back Fred Roperti and Linda Hamilton! Linda Hamilton was defeated two years ago. She is using her husband's position as Salem Fire Chief to take control!

- **Clerk David Trent has repeatedly pushed for a new multi-million dollar Township Hall and a larger office for himself.**
- **Clerk David Trent believes the Township should subsidize a for-profit business on Township property owned by Linda Hamilton.**
- **Clerk Trent has no vested interest in the Township because he is not a homeowner in the Township.**

WHY WONT CLERK DAVID TRENT GIVE BACK YOUR MONEY?

Although still under investigation, Township documents suggest that in early 2008 the previous Administrative Officers Fred Roperti, Linda Hamilton and current officer David Trent knew the Township's retirement plan was in violation of Federal Law and yet did nothing to correct the violation. Social Security withholdings were deposited into individual retirement accounts (including David Trent's) instead of being paid to Social Security, as required. Consequently the Township had to reimburse Social Security over \$80,000 for the past three years while Roperti, Hamilton and Trent benefited from money paid to their retirement accounts.

David Trent has not returned the money. On November 2nd the people of Salem Township can decide for Mr. Trent. Do you think Clerk David Trent should keep money that was mistakenly given to him in his pension plan?

VOTE YES TO RECALL Clerk David Trent if you believe he should return the money.

Shall David Trent be recalled from the office of Salem Township Clerk?
